The third parties we use to deliver these applications are carefully chosen and vetted by us to ensure that, among other things, your and your child's personal data is kept secure. For further information on the kind of technology we use, please contact our Data Protection Officer or Data Protection Co-ordinator (see paragraph 4).

5.3 In addition, we are required by law to do the following (which is not an exhaustive list):

5.4 Inevitably, there will be an overlap between what we do that is necessary to (a)

perform our contract with you, (b) carry out our legal obligations and (c) pursue a legitimate interest although we have tried our best to demarcate these as set out above. If you have any questions about these please contact our Data Protection Officer or Data Protection Co-ordinator (see paragraph 4).

5.5 We will use this information for the following legitimate interests:

5.5.1 to administer our website and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes;

5.5.3 as part of our efforts to keep our website safe and secure.

Information we receive from other sources

5.6 We may combine this information with information you give to us and information we collect about you. We may use this information and the combined information for one of the purposes set out above (depending on the types of information we receive). For example, we may receive a court order relating to you which impacts on our use of your and your child's information to protect the welfare of the child.

5.7 Also, social services or health practitioners may provide us with information (particularly sensitive personal data) about your child which may need to be added to the school's child protection or special educational needs file. This kind of processing of sensitive personal data may be necessary (a) for the purposes of carrying out our obligations in the field of social security or social protection law, (b) for medical diagnosis or provision of health care and/or (c) to protect the vital interests of your child or another person taking into account the mental and physical capacity of your child.

5.8 In order to achieve the purposes described in paragraph 5.7, we may do the following:

5.8.1 keep a list of your child's allergies or medical requirements within the classroom or staffroom in case of emergency. It is necessary for the school to have a list readily available to our staff so that we are able to look after your child promptly in the event of a medical emergency; and

5.8.2 rely on software applications and other technology to process medical information (such as allergies, accidents and injuries) about you and your child. For further information on the kind of technology we use, particularly in the context of processing sensitive personal data about your child, please contact our Data Protection Officer or Data Protection Co-ordinator (see paragraph 4).

Where we need to get your consent

5.10 We will seek your permission if we decide to post any photographs of your child on any of our marketing materials (including our prospectus, advertisements or website).

5.11 You or your child do not have to give us details about your child's race, religion or ethnicity if you do not want to. If you do provide us with this information, we only use these details to assist us with the day-to-day running of the school (for example, if your child's religion means that he or she has particular dietary requirements then we will of course be much better informed if we have this information to cater to your child's requirements) and for equal opportunities monitoring purposes.

Where you have given consent to the above, you can withdraw this consent at any time by contacting the Data Protection Coordinator (see paragraph 4).

6 TRANSMISSION OF PERSONAL INFORMATION OUTSIDE THE EEA

6.1 The data that we process about you and your child may be transferred to, and stored at, a destination outside the European Economic Area ("EEA"). We try to limit this where possible but it may be necessary where, for example, one of our suppliers has a data centre outside the EEA. We will take all steps reasonably necessary to ensure that you and your child's data is treated securely and in accordance with this privacy notice and that the appropriate legal safeguards are in place prior to the transfer, for example ensuring that any contracts between us and the recipient of the information have EU-approved standard data protection clauses, or the country we are transferring the data to is deemed by the EU Commission as adequate.
