## Wingrave Church of England School Vision

At Wingrave Church of England School we want to create a proud, inclusive community of creativity, challenge, curiosity, love and joy. By learning new skills and knowledge, we strive to shape our lives by nurturing one another and growing together in shared spirituality and Christian values.

### **INTRODUCTION**

At Wingrave CE School we are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can flourish progress and achieve in an atmosphere of mutual respect and understanding.

### **Guidance**

As summarised in our Home-School Agreement (Appendix 2), we expect parents, carers and visitors to:

- Respect the caring ethos of our school.
- Understand that both teachers and parents need to work together for the

Code of Conduct for Parents Policy

benefit of their children.

- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.
- Support the school in our collective responsibility for safeguarding all members of our community, including Prevent awareness.
- Avoid using staff as threats to admonish children's behaviour.

In order to support a peaceful and safe school environment the school will not tolerate parents, carers and visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds including team matches.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening e-mails, social media content or text/voicemail/phone messages and other written communication.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on any social media sites and applications. (See Appendix 1). Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher, the Headteacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.
- The use of physical aggression towards another adult or child. This includes physical punishment against your own child on school premises.
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking, including e-cigarettes, and consumption of alcohol or other drugs whilst on school property.

Also, due to health & safety, and those members of the community with allergies, we cannot allow dogs, other than those with a medical purpose, to be brought on to school premises.

Should **any** of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds.

### **Inappropriate use of Online/Social Network Sites and Applications**

Social media websites are being used increasingly to fuel campaigns and complaints against schools, Headteachers, school staff, and in some cases other parents/pupils. The Governors of Wingrave CE School considers the use of social media websites being used in this way as unacceptable and not in the best interests of the children or the whole school community. Any concerns you may have must be made through the appropriate channels by speaking to the class teacher, the Headteacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.

In the event that any pupil or parent/carer of a child/ren being educated at Wingrave CE School is found to be posting libellous or defamatory comments on any social media sites or applications, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report contact or activity which breaches this. The school will also expect that any parent/carer or pupil removes such comments immediately.

In serious cases the school will also consider its legal options to deal with any such misuse of social networking and other sites. Additionally, and perhaps more importantly is the issue of cyber bullying and the use by one child or a parent to publicly humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying.

We would expect that all parents, guardians and any persons responsible for collecting pupils to make their children aware of and uphold this policy.

The signing of the Home School Agreement intended for parents, children and school acknowledges the contents of this policy and our collective responsibility to the school community.
