

Wingrave EYFS Topic Overview

The EYFS curriculum at Wingrave is based on the Seven Areas of Learning within the Early Years Foundation Stage Curriculum as shown below:

Prime Areas			
Personal, Social and Emotional Development	Communication and Language	Physical Development	
Specific Areas			
Literacy	Mathematics	Understanding the World	Expressive Arts and Design

At the beginning of each half term we have a new theme which acts as a starting point for our learning. These are shown below. In the Early Years Foundation Stage we use children's interests, information from parents and observations of specific needs in order to plan for learning experiences. With our theme as a starting point we use the information gained about our unique cohort to plan a range of exciting learning opportunities that engage our children. As we plan for our children's interests some of our planning may differ from the overall theme and the theme may be taken in many different directions! This is dependent on the individual interests and needs of each cohort.
