**Summary Guide**

1. Download Twitter app and create your account. <https://twitter.com>
2. **Search for @WingraveSchool on Twitter and click 'follow' – this will send a request message to the school account.**
3. Complete the attached school form and include the Twitter account name/s you have created/using.
4. **Return the signed form to school.**
5. School will check your completed form against the request message and accept you as a follower.
6. You will receive a welcome message through Twitter to confirm the process is complete.

**Please contact the school with any questions so we can help support the process.**
